

AMANDA PAULSEN

Actress & Model

PROFILE

I'm a dedicated actress with a strong foundation in film, television, and commercial work. I've had the privilege of playing lead roles in multiple independent short films, one of which—Stuck in Love—earned me the “Best Young Actress” award at a Los Angeles film festival. My on-set experience also includes background work in high-profile productions such as Paramount's Lioness and The Madison, allowing me to work alongside top-tier industry professionals and deepen my craft.
